

## Instructions for Corporate Donations & Corporate Matching

Your gift can go further in advancing the work of the John W. Brick Mental Health Foundation through your employer's matching gift program.

Matching gift programs are a form of corporate philanthropy where businesses match the donations their employees make to charitable organizations.

### Determine if your company will match your donation:

1. Contact your employer's Human Resources department to see if they offer a matching gift program and if you need to complete any necessary forms. Once you have submitted your request form, please notify Karen Cepress at [karen@pfgrwth.com](mailto:karen@pfgrwth.com).
2. Search for your company at: <https://www.patientadvocate.org/get-involved/donate/corporate-matching/> to access your company's matching gift forms and apply.
